

TASK:

Students will finish the pattern that is given in each picture

Created by Paige Mosbrucker

MATERIALS:

- paint dishes
- variety of buttons
- container to store extra buttons in
- pattern sheets for kids to use to complete the patterns

TARGETED SKILLS:

- matching (cognitive)
- identifying colors (cognitive & language)
- identifying shapes (cognitive & language)
- picking up buttons and placing them in container (fine motor)

IDEAS FOR DIFFERENTIATION:

Modifications/Adaptations:

- use fewer colors or more colors
- use different shaped buttons
- use larger buttons
- use colors that aren't similar

Extensions or Other Ideas to Use This Activity:

- change colors to ones that are similar to help student learn to distinguish between the two
- use shapes so students can learn about colors, shapes, and patterns
