WHAT DO LEARNING STYLE INVENTORIES MEAN TO YOU?

What is Learning Style Inventories?

Learning inventories are designed to help people learn which learning style pertains to them. The inventories are usually multiple choice and focus on what people prefer to do in the educational setting. The person taking the test choose the answer that resembles them the best.

Why learning inventories?

- * See how you learn best
- * Find study techniques to help you

How the results help your teacher?

- * Show strengths and weaknesses
- * Can enhance educational process
- * discover more about students
- * Gain a better understanding how each child learns
